Safety measures for school transport

1. No child, with a COLD/FEVER/THROAT PAIN/ COUGH will be sent to school.
2. Children will be accompanied to the Bus pick up/ drop off point by an adult to ensure social distancing at the bus stop.
3. WEARING OF MASK IS MANDATORY for all children, teachers and staff in the bus.
4. All children will go through a Mandatory Boarding Check by the conductor for wearing mask, temperature check and sanitizing of hands.
5. Children will not move around in the bus, shake hands/ share food/ books/ stationery or any belongings.
6. The school reserves the right to ask you to take your ward back home if the thermal temperature check does not meet the norm or if the child is without a mask.
7. Boarding and de boarding of buses will be done systematically, following social distancing and other safety norms. Children are expected to comply.
8. The bus service provided by the school will be discontinued for your ward if he/she fails to follow the guidelines.

Please note: The buses will be duly sanitized, everyday, before departure from the school in the morning and after all the children have de-boarded in the morning and when the buses return to school in the afternoon.
